

BPER BANK LUXEMBOURG S.A. HAS CHOSEN OLYMPIC BANKING SYSTEM AS ITS NEW CORE BANKING PLATFORM

News

November 2025

BPER Bank Luxembourg S.A. (BPER), located in the heart of the Grand Duchy, plays a key role in the international presence of BPER Group, one of the largest Banking Group in Italy. It offers a wide range of services, including wealth, private and investment management, loan services to customers, treasury management, securities trading and administrative services. **BPER** has embarked on a strategic initiative to replace its legacy core system with OLYMPIC Banking System, enabling a fully integrated front-to-back solution that supports end-to-end business operations.

Drawing on the values of transparency, innovation, and close client relationships inherited from its Italian parent, the Luxembourg entity stands out for its tailored approach and its ability to meet the needs of a discerning client base in one of the world's most competitive financial hubs.

“Selecting OLYMPIC Banking System as our new core banking platform marks a critical milestone in our strategic transformation journey. This next-generation solution will enable us to streamline operations, accelerate innovation, and deliver a seamless, end-to-end digital experience to our clients. By modernising our technology foundation, we are future-proofing our business and positioning ourselves for sustainable growth in an increasingly competitive market”
